REIDUN TOTLAND

Hi!

I will use this opportunity to thank all of you for this past year. Everyone of you- both the ones I know personally and those I know only by sight- plays an important part in my good memories of L.H.S. Many thanks also to the faculty which tried to teach me something about America. I hope I did not disappoint you too much. It has been a very interesting year which I will never forget. Thank you very much, all of you. Hope we can meet again some time.

Yours,

Reidun

DO YOU SAIL FROM HERE?

How does your compass read — what is your next port-of-call? Are your horizons near or far? Time will tell of the number who achieve their goals. Will you be one of these? Some will drift aimlessly on the uncertain sea of life. Others will be storm-tossed on unseen rocks and shoals. But those who prepare well and maintain their charted courses with courage and faith — these are most likely to sail into happy harbors. The 900,000 members of AAL wish for all of you a pleasant journey.
